Instructions for Form FTB 3500

Exemption Application

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 1993**, and to the California Revenue and Taxation Code (R&TC).

General Information

Organizations that incorporate as nonprofit organizations are not automatically exempt from tax. The organization must apply separately for tax-exempt status.

Because California and federal laws are generally the same in this area, it is recommended that you obtain federal application forms and draft articles for both the state and federal application forms at the same time. In some cases California may require that the organization obtain a federal determination of its tax-exempt status prior to issuing a state exemption determination letter.

If you have already obtained a federal exemption, furnish a copy of the federal determination letter with this application.

The fact that an organization is exempt from federal income tax does not automatically exempt it from California tax. It must apply separately for exemption from California tax.

Trusts

Trusts must furnish a copy of the federal determination letter before state exemption will be granted. If the trust has not applied for a federal exemption, it should do so. Attach a statement to form FTB 3500 stating that the federal application was submitted.

Trusts organized and operated for purposes described in R&TC Section 23701d are treated as nonprofit organizations for exemption purposes.

Political Organizations

A political organization meeting the requirements of R&TC Section 23701r is not required to file form FTB 3500 with the Franchise Tax Board. However, a political organization desiring to incorporate, or which has previously incorporated and wants to avoid the prepayment of the minimum franchise tax, must obtain a letter from the Franchise Tax Board certifying exemption.

To obtain a letter certifying exemption, the political organization must submit a written request to the Franchise Tax Board, Exempt Unit. This request must include a description of the political organization's activities. Mail your request to:

**Franchise Tax Board
Exempt Unit
P.O. Box 1286
Rancho Cordova, CA 95741-1286**

A Purpose of Form

All corporations and unincorporated associations, even if organized on a nonprofit basis, are subject to California corporation franchise or income tax.

To be exempt from tax, an organization must file form FTB 3500 and be granted exempt status by the Franchise Tax Board.

An unincorporated association that has exempt status must reapply for exemption if it incorporates.

B When and What to File

To allow adequate time for processing, submit the application at least 60 working days before exemption is needed.

The exemption package you submit must include:

1. A completed form FTB 3500, with an original signature of an authorized individual, such as:
 - an elected officer;
 - a director;
 - an authorized representative; or
 - a trustee (if your organization is a trust).
2. Application fee of \$25 (make the check or money order payable to Franchise Tax Board).
3. The information and documents requested on Side 2, item 7a through item 7j.
4. The appropriate information and documents required by Side 2, item 8 through Side 4, item 23, for the R&TC section under which exemption is being sought.

D Incorporating in California

There are two methods by which nonprofit organizations may incorporate in California:

- immediate incorporation; or
- delayed incorporation.

A. Immediate Incorporation

1. Mail the items listed below directly to:

**Office of the Secretary of State
Attn: Legal Review
1230 J Street
Sacramento, CA 95814-2974**

Note: The office of the Secretary of State will move in February or March of 1995. Call the general information number, (916) 445-0620, for the new address.

- the original plus four copies of the articles of incorporation; and
- a check payable to the Secretary of State for the minimum franchise tax plus the appropriate Secretary of State fees for filing the articles of incorporation.

Do not send form FTB 3500 to the Office of the Secretary of State.

2. If the proposed articles satisfy the requirements of the California Nonprofit Corporation Law, the Secretary of State will file the original, endorse any remaining copies of the articles of incorporation and return the endorsed copies to you.

After you receive the endorsed articles of incorporation, mail the items listed in General Information B, to:

**Franchise Tax Board
Exempt Unit
P.O. Box 942857
Sacramento, CA 94257-4041**

If the articles of incorporation need to be amended, or if more information is required, the Franchise Tax Board will contact the officer or representative designated on form FTB 3500.

If the organization qualifies for exemption, the Franchise Tax Board will mail you a state exemption determination letter.

B. Delayed Incorporation

1. To avoid paying the minimum franchise tax, you may delay incorporation and secure exemption prior to the filing of the articles of incorporation by mailing the items listed below directly to the Office of the Secretary of State:
 - the original and at least four copies of the proposed articles of incorporation;
 - a check payable to the Secretary of State for the filing fee;
 - a completed, signed form FTB 3500 (original signature required) with all the required information and supporting data; and
 - the \$25 application fee, payable to the Franchise Tax Board.
2. If the proposed articles satisfy the requirements of the Nonprofit Corporation Law, the Secretary of State will notify you by letter and forward to the Franchise Tax Board one copy of the proposed articles, form FTB 3500, all supporting documents and application fee.

If more information is needed, or if the articles need to be revised, the Franchise Tax Board will contact the officer or representative designated on the application form.

If the organization qualifies for exemption, the Franchise Tax Board will mail a state exemption determination letter to you and the Office of the Secretary of State. The Secretary of State will then file (endorse) the articles.

C. Previous Incorporation

If the organization is already incorporated, follow the instructions for immediate incorporation (General Information D, A. 2).

E. Qualifying in California

If the organization is incorporated in another state or country, it is considered to be a "foreign corporation."

To qualify the foreign nonprofit, nonstock corporation for exemption in California, you must comply with the Secretary of State's

qualification procedures and the Franchise Tax Board's requirements for exemption.

There are two methods by which nonprofit, nonstock foreign corporations may qualify in California:

- immediate qualification; or
- delayed qualification.

The instructions for immediate or delayed qualification are the same as those for the immediate or delayed incorporation of organizations incorporating in California, except for the documents required.

A. Immediate Qualification

1. Follow the instructions for immediate incorporation (General Information D, A), but include the following documents, in lieu of the articles of incorporation, in your mailing to the Office of the Secretary of State:
 - a certificate of good standing from the state or country having custody of the original articles (the certificate must indicate that the corporation is a nonprofit, nonstock corporation); and
 - a completed Statement and Designation by Foreign Corporation (available on request from the Office of the Secretary of State).

If the Secretary of State is satisfied that the organization meets the requirements of the California Corporation Code, the Secretary of State will file the original Statement and Designation, endorse any extra copies and issue a Certificate of Qualification to you.

2. In addition to the documents referred to in General Information D, A. 2, you must include the following documents in your mailing to the Franchise Tax Board:
 - an **endorsed** copy of the Statement and Designation by Foreign Corporation;
 - a copy of the federal exemption determination letter; and
 - copies of the federal information returns for the last three years of operation. This will satisfy the financial data requirements.

If the organization qualifies for exemption, the Franchise Tax Board will mail you a state exemption determination letter.

B. Delayed Qualification

1. Follow the instructions for delayed incorporation (General Information D, B), but include the following documents, in lieu of the articles of incorporation, in your mailing to the Office of the Secretary of State:
 - a certificate of good standing as described in General Information E, A. 1;

- a completed Statement and Designation by Foreign Corporation (available on request from the Office of the Secretary of State);
- a copy of the federal exemption determination letter; and
- copies of the federal information returns for the last three years of operation.

2. The Secretary of State will review these documents for compliance. If they are acceptable, the Secretary of State will forward the application and applicable attachments to the Franchise Tax Board.

If the organization qualifies for exemption, the Franchise Tax Board will mail a state exemption determination letter to you with a copy to the Office of the Secretary of State, which will file the Statement and Designation by Foreign Corporation, endorse any extra copies and issue a Certificate of Qualification to you.

C. Previous Qualification

If the organization is already qualified through the Secretary of State, follow the instructions for immediate qualification (General Information E, A. 2).

F. Group Exemption Application

A parent organization desiring group exemption for its California unincorporated subsidiaries must first establish its own exempt status.

It must file a separate form FTB 3500 for a group exemption with a cover letter stating that the subsidiaries are affiliated and are subject to the parent's general supervision and control.

The parent must also furnish this additional information with form FTB 3500:

- a sample copy of a uniform charter;
- an affirmation that the subsidiaries are operating in accordance with their stated purposes;
- a statement that the subsidiaries have furnished written authorization to be included with the group exemption application; and
- a list of California subsidiaries, their organization numbers and current addresses.

G. Unincorporated Associations or Trusts

For unincorporated associations or trusts, mail the items listed below directly to:

**Franchise Tax Board
Exempt Unit
P.O. Box 942857
Sacramento, CA 94257-4041**

- a signed form FTB 3500 (original signature required);

- **one** copy of the proposed bylaws and/or constitution, articles of association or trust instrument;
- all required information and supporting documents; and
- the \$25 application fee, payable to Franchise Tax Board.

H Retroactive Exempt Status

The Franchise Tax Board may grant exempt status retroactively for periods in which the organization substantiates that it was organized and operated for exempt purposes.

I Sample Articles and Instructions

The sample articles of incorporation on page 14 are structured to meet the Secretary of State's requirements for incorporating and the requirements necessary for exemption. Organizations incorporating as nonprofit must do so under one of the three sections of the Nonprofit Corporation Law (see Corporation Code Sections 5110, 7110 and 9110).

If an unincorporated association is being incorporated, an article (like the following) must be added: "The name of the existing unincorporated association now being incorporated by the filing of the articles is (state name of your association)." Attach an affidavit of subscribing persons to the articles. See Corporation Code Sections 5121, 7121 and 9121.

The details of the internal operations of the organization should be covered in the bylaws.

Organizations described in R&TC Section 23701d

- Exclusively religious organizations described in R&TC Section 23701d should format their articles after Sample Articles A.
- Other organizations described in R&TC Section 23701d (other than exclusively religious organizations) should structure their articles after Sample Articles B.

Article III – Complete the sentence by describing the specific and primary purpose of the organization. Limit it to those activities permitted by the R&TC section under which the exemption is desired.

Article V – Complete the blank spaces provided in Sample Articles B to describe the specific and primary purposes permitted by the applicable R&TC section (i.e., charitable, educational, scientific, etc.).

Article VII and VIII - Do not alter the language in Article VII and VIII of Sample Articles A.

Fill in the two blank spaces provided in Sample Articles B with the organization's purpose and the type of organization to which its assets will be distributed upon dissolution.

Organizations wishing to distribute their assets to a specific organization must provide for an alternate distributee, in case that organization

is not in existence or is not exempt under IRC Section 501(c)(3) at the time of distribution. The exception to this rule is where the assets are to be distributed to federal, state, county or city government for public purposes.

Where designation of a specific distributee is desired and the welfare exemption from property taxation will be claimed, you may use this sample dedication/dissolution clause to replace Article VIII:

"Upon the dissolution or winding up of this corporation, its assets remaining after the payment of, or provision for the payment of, all debts and liabilities of this corporation, shall be distributed to XYZ corporation if it is then in existence and organized and operated exclusively for charitable and/or religious purposes and exempt under IRC Section 501(c)(3), but if not then in existence or so organized and operated or exempt, to another organization which is organized and operated exclusively for charitable and/or religious purposes and which has established its tax-exempt status under IRC Section 501(c)(3)."

Organizations described in R&TC Section 23701f that are exclusively for the promotion of social welfare (IRC Section 501(c)(4)) should format their articles after Sample Articles B with these substitutions:

Article V: – fill in blank space with: – change 501(c)(3) to:	Social Welfare 501(c)(4)
Article VI:	Omit
Article VII and VIII: – fill in blank spaces with: – change 501(c)(3) to:	Social Welfare 501(c)(4)

Article VII - R&TC Section 23701f contains a requirement that the assets of the organizations must be dedicated to exempt purposes.

The sample dedication clause for Article VII under the section "Organizations Described in R&TC Section 23701d" may be used for this purpose, but should be limited to "charitable" or "social welfare" as shown in the decision table above.

Organizations described in R&TC Section 23701u, public facility financing corporations, use Sample Articles B with these changes:

Article V: – change 501(c)(3) to:	501(c)(4)
Article VI:	Omit
Article VII and VIII: – fill in blank spaces with: – change 501(c)(3) to:	Public R&TC Section 23701d, 23701f or 23701u or IRC Section 501(c)(3) or 501(c)(4)

Organizations applying for exemption under R&TC Sections other than 23701d, 23701f, 23701h, 23701u, or 23701x should structure their articles after Sample Articles C.

Article III - Enter in the blank space the specific and primary purpose of the organization.

Limit it to those activities permitted by the R&TC section under which the exemption is desired.

Note: These articles are not required to have a clause dedicating assets to charitable purposes. However, any organization may elect to distribute its assets to charitable organizations upon dissolution without restricting the assets to such use during the organization's existence.

Veterans' organizations are entitled to the welfare (property tax) exemption, but must dedicate their assets to "charitable" purposes. See Sample Articles B, Articles VII and VIII.

Exception - Organizations applying for exemption under R&TC Section 23701g as social or recreation clubs must be operated for the enjoyment of members and supported primarily by dues, fees and assessments paid by members.

Any income from nonmember sources may be taxable as unrelated business income and, if substantial, the club may lose its exempt status.

A social club may have a fund-raising event for a charitable organization and pay over the net proceeds to the charity without losing its exempt status. Social clubs contemplating fund-raising drives should include this clause:

"If this organization holds any event(s) to which the general public are invited to observe or participate in for a fee, the income from the general public, less a proportional share of the expenses which will not benefit members, will be paid over to an organization, which is exempt from income tax under IRC Section 501(c)(3), on an annual basis."

Unincorporated association creating document

An unincorporated association must have a creating document that meets certain minimum requirements. The document must contain:

- the name of the organization;
- the specific and primary purpose of the organization; and
- a statement indicating that the organization is organized for nonprofit purposes and that the individual members will not derive profit from the organization.

The sample unincorporated association creating documents on page 15 are structured to meet these requirements.

Qualification for exemption under R&TC Section 23701d requires a political limitation clause and a dedication/dissolution clause. See Sample A on page 15.

Note: Only R&TC Section 23701d organizations require a political limitation clause.

Qualification for exemption under R&TC Section 23701f requires a dedication/dissolution clause. See Sample B on page 15.
